CONCLAVE 2019
NOVEMBER 12-14 | DUBAI

Scaling New Frontiers in Digital Cash Management

SCALE
DIGITAL

The complex world of today's corporates

Dealing with structural complexities - the new normal for businesses with global operations

Multiple lines
of business

Ever expanding
geographic
footprint

Business across
multiple time
zones

Transactions in
multiple
currencies

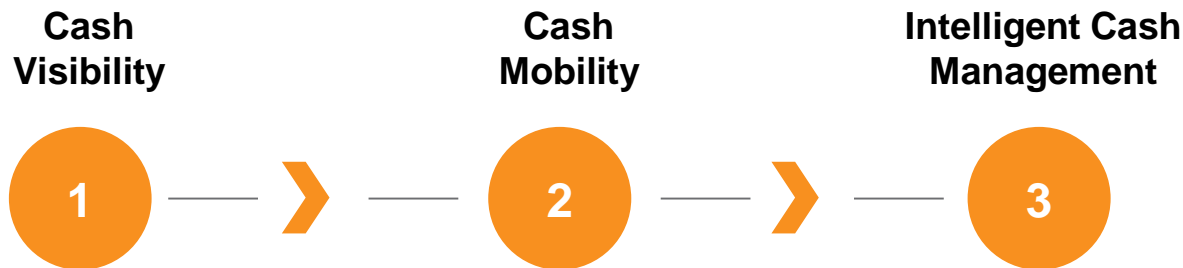

Relationships
across multiple
banks

Compliance with
geo specific
regulations

To succeed, corporates need to have control on the cash management value chain

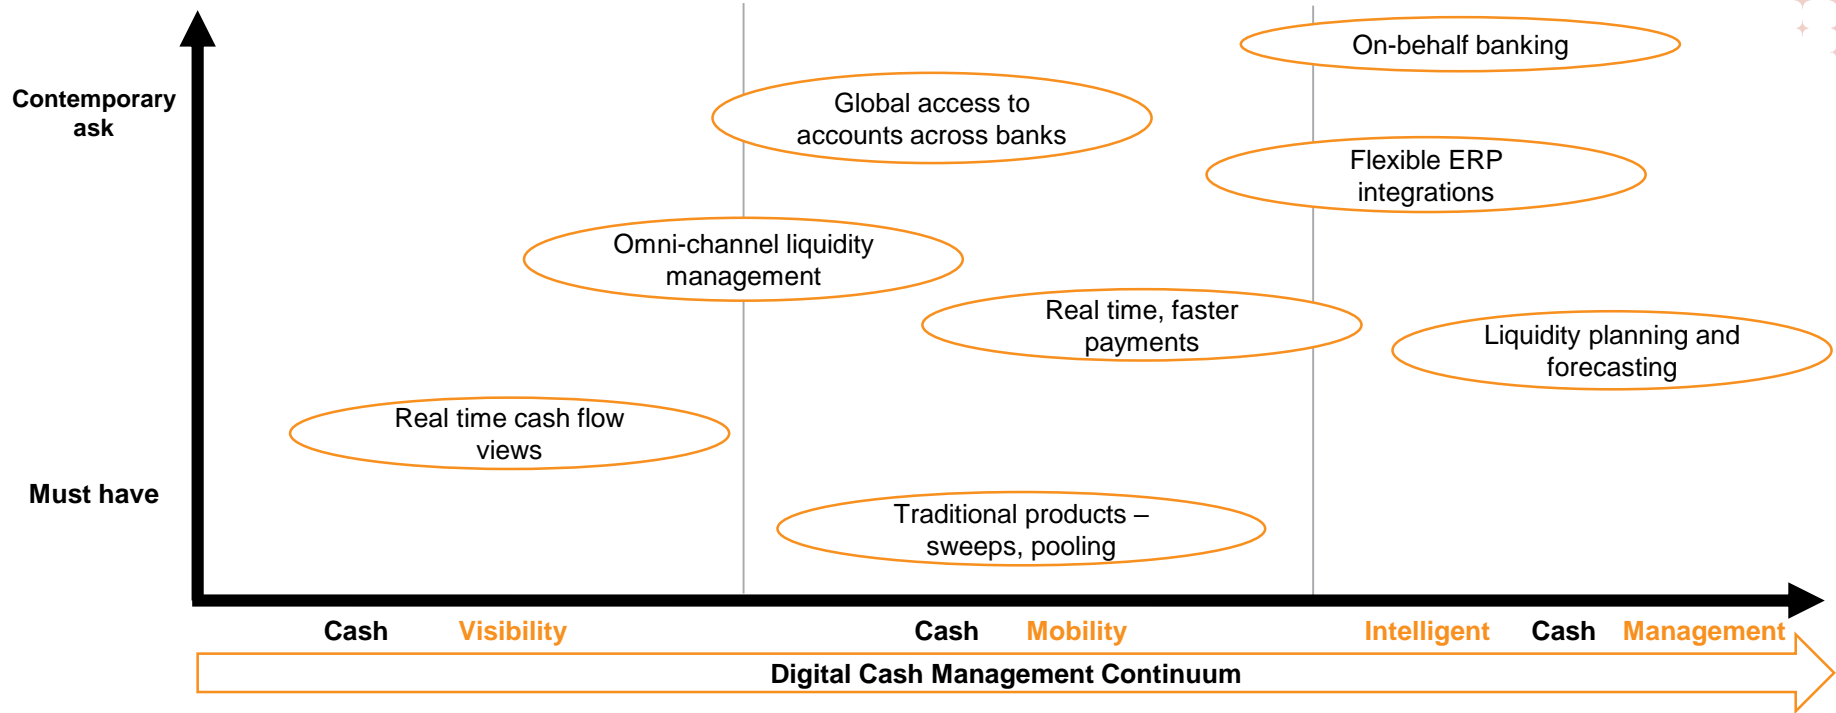

Manage working capital effectively, whilst having greater financial controls

Sustainable Treasury Management

- Drive down costs
- Enhance Operational Efficiencies
- Improve Liquidity Decisions

Digital Cash Management Continuum – Our point of view

Finacle Cash Management Suite – Solutions under the hood
